The Youth Leadership Advisory Team

It's Youth Driven!

YLAT is a youth & adult partnership committed to improving the short-term experiences and long term outcomes for youth who are or have been in foster care.

Get Connected! With youth, former youth, and other community members who share a desire to affect positive changes in the child welfare system.

Be Heard! Seriously!! We know you've heard it before... but we get *asked* for input. That's how valuable your voice is!

Have Fun! Good Food, Great Friends, Amazing Conversations!

Make A Difference! Your perspective matters to other youth who experience the system...your voice could change their lives! (*it could change yours too!*)

Challenge Yourself & Others! YLAT challenges us all to understand the challenges of growing up in foster care...and how we all can contribute to the solutions.

*Nothing About Us
Without Us!*
