## The Youth Leadership Advisory Team

YLAT is a youth & adult partnership committed to improving the short-term experiences and long-term outcomes for youth who are currently in foster care or have been in care.

### Get connected!

With youth, former youth, and adult partners who want to improve the child welfare system.

### Be heard!

We know you've heard it before...but we get asked for input all the time. Your voice is valuable!

### Have fun!

Have good food, great friends, and amazing conversations.

### Make a difference!

Your story about your experiences in foster care could impact other youth in care.

### Challenge yourself and others!

YLAT challenges us all to keep learning about what it means to grow up in foster care ... and about how we all can contribute to the solutions.
